

ProDeck

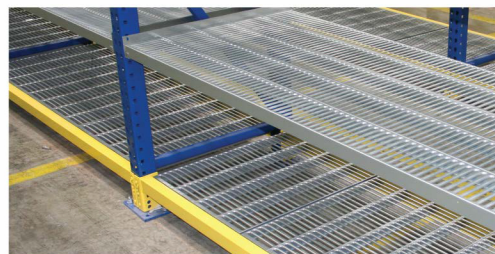

**STRONGEST, SMOOTHEST
OPEN RACK SHELF-DECK AVAILABLE**

*Superior alternative to wire mesh and punch-corrugated decks,
allows sprinkler water through to lower deck levels.*

KEY BENEFITS

- ✓ Quick installation in either pallet rack, cantilever rack, and bulk racks. Supports boltless or clip style systems.
- ✓ Easily add additional shelving levels without step-beams, utilizing our versa supports.
- ✓ Fire protection with large openings which allow sprinkler water to reach lower levels.
- ✓ Product friendly surface, Pro Deck's smooth surface reduces product friction and the possibility of items getting caught and becoming damaged.
- ✓ Attractive look and long lasting galvanized finish gives your warehouse a bright look that is easy to maintain.
- ✓ No overlapping edge, decking is flush with the top of the step-beam allowing for easy labeling alongside the face of the beam.
